

#1 Hang Gliding Club

**BOD Meeting 01/09/10**  
**Treasurers Report**

TTT Checking account has a balance of \$8,346.03 and all bills have been paid to date.

TTT CD Fund has a balance of \$53,733.21 as of 12/31/09.

2009 taxes are to be filed within the next two months via a Certified Public Accountant this year to insure we are within all legal limits.

(Note: A portion of the checking account balance needs to go into the CD Fund. This is due to the fact that there were donations made last year towards the LZ Field of Dreams fund in the amount of approx. \$2,000.00)

**New Business:**

1. Club house appliances need to be purchased using the money that was specifically donated for that purpose.
2. All future events will have a locked money drop box to insure accurate counting of received money. I have located the referenced lockable drop box that can be placed at any central location during events where we want to ask for donations.
3. I have a Sony and a Gateway Laptop computer that I am willing to donate to the club for registration or other uses. I think that they will both need to be reformatted and have software installed to be usable. Please let me know.
4. The new non profit organization named The Cloudbase Foundation is looking for child based charity's or other related areas to assist in where we fly. The publicity that this brings to our sport can be very useful both ways. Please keep this in mind when planning events. This organization could possibly help with your advertisement.
5. The Cloudbase Foundation is looking for people to join in our efforts and to display our logo decals on your wing. For more information please go to [www.thecbf.org](http://www.thecbf.org)
6. Sport Class will be offered at all of the USA sanctioned competitions this year. It is rumored that this year there will be a strong focus on the new competition pilots.
